**SYMPOMS OF CATARRH.**—Dull, heavy headache, obstruction of the nasal passages, discharge of thick, frothy mucus, sometimes profuse, watery, and acrid, sometimes thick, tenacious, mucous, purulent, bloody and nostril; the eyes are weak and watery; there is a ringing in the ears; deafness, hoarseness or coughing to the lungs; the larynx is often filled with mucus; either, whether from tickles or the voice is changed and has a "nasal twang"; the breath is offensive; smell and taste are impaired; there is a sense of oppression, with a desire to vomit; the skin is pale and sallow. Only a few of these symptoms are likely to be present in any one case. Thousands of cases annually, without medicating half a dozen above symptoms, result in a cure, and in most cases, a case is so common, more dangerous, and dangerous, or less understood by physicians.

By its mild, soothing and healing properties, Dr. Sage's Catarrh Remedy cures the world of Catarrah, or "Catarrhal Headache."

"Catarrah" struggling every where; 50 cents.

**Told Agony from Catarrah.**

Prof. W. HADSPER, the famous mesmerist of Ithaca, N.Y., writes: "Some ten years ago I suffered from Catarrah, from which I suffered for six months. A family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my vision would become so obscure I could not see my hand before my face. I could not sleep, and clearing out, I thought would not strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

**Constantly Hawking and Splitting.**

THOMAS J. RUSHING, Esq., 2002 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and could not sleep. I lost weight and strength, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now well again. I have given it to the only other remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."
